EPSON®

SureColor®
V1070

Desktop UV Flatbed Printer
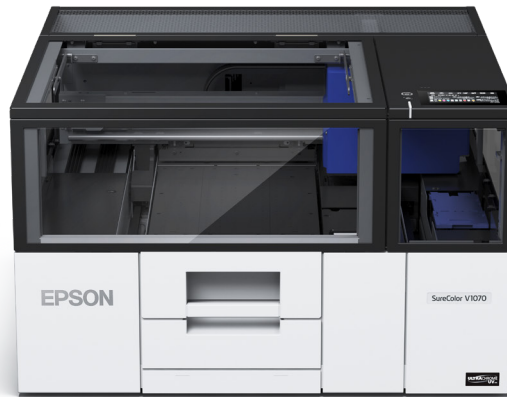

Experience the power of UV with this compact desktop printer.

ULTRACHROME **UV** INK

Epson Cloud Solution
P O R T ®2

Low initial investment — less than half the cost of comparable desktop flatbed UV printers[1]

High-quality output — delivers vivid colors, low graininess and smooth gradations

Compact and unique design — breakthrough space-saving design easily fits into your workflow

User-friendly — simple operation and easy maintenance

UltraChrome® UV Ink — for precise, versatile and durable printing

Varnish Ink — choose between Gloss and Matte Varnish for finishes, textures and other embellishments

White Ink — for high White opacity on clear or dark substrates

Media versatility — prints directly on acrylic, wood and other materials across a wide range of promotional items, such as keychains, golf balls and pens

World-class service and support — includes limited warranty; extended service plans available

Designed for use exclusively with Epson ink packs*.
